Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Friday 26 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Turning colder later on Friday, perhaps wintry showers over hills.

Today:
After a dry bright start turning wet and windy through the morning with periods of rain, occasionally heavy, pushing across the region. Skies will brighten early afternoon onwards with sunshine and showers developing, wintry over Derbyshire hills. Feeling colder. Maximum temperature 12 deg C (54 deg F).

Tonight:
Windy with further showers merging into longer spells of rain. Showers turning wintry, especially over Derbyshire hills where snow accumulations is possible in places. Widespread sharp frost and icy stretches. Minimum temperature -2 deg C (28 deg F).

Saturday:
Cold, bright and breezy on Saturday with wintry showers fading quickly. Sunny spells during the afternoon before cloud thickens and winds strengthen during the evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Sunday to Tuesday:
Windy and milder on Sunday with periods of rain through the afternoon. Mostly dry and bright on Monday but rather windy. Turning wet on Tuesday but drier and colder later.
